Factory at :

G-15 Mangalpur Industrial Estate (ADDA), Mangalpur, P. O. Baktar Nagar : 713321, Dist. : Paschim Burdwan

SWARNDEEP CASTINGS PRIVATE LIMITED

Our company is the flagship of a group of companies with diversified interests in manufacturing, services and trading activities. The group is capable to service the requirements of BHEL, Sugar Plant, Pump manufacturing Co., Automobile, Paper Mill, Power Plant, Cement Plant, Tisco, SAIL, fertilizers, Pharmaceuticals, Food Processing, Marine, Defense, Refineries, Food Processing, Chemical & Petrochemicals, Rail, Coalfields & other engineering industries.

The foundry has a written quality management procedure that evidences the establishment, documentation, auditing and maintenance of a quality system. The system is capable of showing that the quality performance at each stage conforms to the specified requirements. The designed system identifies the area of control, the parameters for control and the extent of recording of data.

Apart from this unit we have other diversified business sector :-

1. Manpasand Agro Food Private Ltd.
2. Mangalam General Works Private Ltd.
3. DSP Metals Private Ltd.
4. Manpasand Cement Private Ltd.
5. Orchid Realty Private Ltd.
6. Manpasand Flour Mill.
7. Unite Zambia Ferro Ltd. (South Africa)

EQUIPMENTS FOR TESTING/ MEASURING FACILITIES.

- A) Chemical lab
- B) Physical lab
- C) Sand, Mould Sand Testing lab.
- D) Spectro lab.
- E) Permeability Testing equipments.
- F) Green Compressive strength testing equipment
- G) Microscope
- H) Mould & Core hardness testing
- I) Gas evaluation testing
- J) Tensile/Elongation testing machine
- K) Hardness testing
- L) Compatibility/ Mouldability testing
- M) Dilatometer for hot tensile, deformation, comp. strength, Expansion & Refractoriness testing.
