Ref: Your letter No. Nil dated: 14.05.2024.

1. Vide letter under reference above, you have requested permission for Class- A foundry. It is worth to mention that RDSO has discontinued approval of class A foundry . For items where requirement of class A foundry has been mentioned in STR/specification/drawing ,the sub-vendor of class A foundry is to be proposed by the firm manufacturing the main item using component from foundry , giving clause wise compliance of requirement of class A foundry as per IS :12117:1996 or latest.
2. In line with above, request of firm M/s Tirupati has been considered by CLW and M/s Tirupati has been given permission to source casting material from Class-A foundry as per IS: 12117:1996 of M/s Swarndeeep Casting Pvt. Ltd.
3. Based on request of M/s Alloy Steel Company-Delhi, M/s Vikrant Engineering Works Pvt. Ltd-Kolkata and M/s Anil Loco Technologies, permission has been given to them to source casting material from Class-A foundry as per IS: 12117:1996 of M/s Swarndeeep Casting Pvt. Ltd. for those items for which CLW is vendor controlling authority.
4. Further, based on the request of other main vendors i.e., M/s Brijlax Engg./Chandauli Pvt. Ltd., M/s Chanrdalok/Varanasi and M/s Parasramka Engg. Pvt. Ltd./Kolkata, letters have been issued to BLW, who are vendor controlling authority for above firms, duly intimating permission given to vendors controlled by CLW for such items, for information and further necessary action

5. As on date all request of main vendors have been disposed from this end.

6. Therefore, you may contact main vendors of respective items regarding use of casting material from Class-A foundry as per IS: 12117:1996 of M/s Swarndeeep Casting Pvt. Ltd.
